

Headquartered in Orange, California, MSI has helped define style in the countertop, flooring, decorative mosaics, wall tile, and hardscapes industry since 1975. It's our mission to increase access to and affordability of the world's highest quality granite, marble, porcelain, quartz, travertine, limestone, and decorative mosaics. With purchasing offices on four continents, we carry over 4,500 trend-setting products selected from premium international quarries.

MSI INFRASTRUCTURE

## MERCHANDISING & DIGITAL MARKETING

We realize purchasing countertops, flooring, wall tiles, and hardscape products is a big commitment for homeowners. To help them make an informed decision, we provide visual elements like merchandising displays, brochures, apps, tile pattern calculators, and virtual visualizer tools.

To help visitors at [www.msistone.com](http://www.msistone.com) navigate our large selection of floor, wall, and exterior products, we offer style guides, design ideas, galleries, videos, and more. Handy visualizer tools mix and match floor tiles, cabinets, countertops, and backsplashes allowing homeowners to narrow down their favorite styles and envision their dream space.
